- December 12 Toonie Christmas Market
- November 28 Festival of Trees Performance
- December 18 Christmas Concert

This month in our school

We have a very busy November. Please mark all of the Upcoming Events on your calendars. We begin with our first Parent/Teacher Conference. You will find the sign up sheet in the entrances. Please choose a time that works with your schedule. This first conference is an important one. This is our opportunity to meet you and share with you how your student is doing at school. We can make alternate arrangements if the 12th or 13th does not work. Please connect with your child's teacher if need be. We have our Remembrance Day Assembly on November 10. The senior students are in charge of the program. All families are invited to share in this observance of our veterans. Please note no school on November 11. We are performing at the Festival of Trees on November 28. I will send home more information as soon as I have our performance time. We will require parental help both during the bus ride to the Westerner and at the Westerner. ALL children and students are picked up at the Westerner after the performance.

With the fall weather here please be sure that your child brings a hat and mitts for outdoor recess. We do go outside every day so let's keep them warm. It has been a pleasure working with our extra students during the teachers' strike. We are so glad that you joined us. You are all talented and enthusiastic learners.

Toonie Christmas Market

This is our annual fundraiser for the Outreach Centre. All proceeds are put towards the Adopt A Family Program. If you have items that are suitable for regifting please donate them to the school for our market. All of our children buy gifts for their parents and siblings at the market. Every item in the market is \$2.00. Shopping day is December 12. This is a wonderful cause helping others have a wonderful Christmas. More details to follow. We will accept items for the market now and up until December 8.
