2022-2023
SCHOOL YEAR

Registrations are now being accepted for the 2022 - 2023 school year. We are pleased to be adding FULL TIME Pre-School. Pre-Schoolers must be fully potty trained and have given up afternoon naps. To be guaranteed a seat in the class of choice we highly recommend registering now. The registration process will be as last year. A completed registration form along with a \$300.00 deposit will be required to reserve a seat. Once classes are full waiting lists will be started
P.S. We only have 5 spots for Full Time Pre-School

CHROMEBOOKS

We are excited to share that we purchased 12 Chromebooks for the school. Best Buy gave us a fabulous deal. Technology Agreements will be sent home with the students for parental consent and signature.

The Chromebooks will be used by students for research purposes, as well as enabling us to incorporate a Technology component to the Grades curriculum. They will not replace the teacher for instructional time. We hope to have this Agreement to you early February.

Art Auction

Our annual silent art auction will be held at the upcoming Parent/Teacher Conferences on March 14 and 15. Art pieces will be displayed in the Music Room for your viewing. Please pick your favorites and enter your bid using your cell number. All proceeds will be put towards the playground expansion project.
