HOT LUNCH - BOSTON PIZZA

To order your child a hot lunch visit healthyhunger.ca. You must enrol your child under the appropriate teacher. The deadline for ordering is 5 days prior to the hot lunch day. The school does not order lunches. Next hot lunch November 22 and 23.

CARE PROGRAM

We require 24 hours notice for changes to your child's care schedule. If we are not notified of changes, you will be charged for the day. This is to ensure that we have adequate number of supervisors on duty.

End of Day Pick Up

We ask that you please wait outside for your child. The entrance ways become very congested making it difficult for the teachers to help the children get ready to leave. We do our best to dismiss on time. Your child will either be in the playground or inside the enclosed sidewalk area.
