**TBA - June Field Day**

### This month in our school

Preparations are underway for our graduation ceremony on **June 26**. This is a special day for all children and students. Our first Grade 8 graduates will be honoured. A photographer will be present to take graduation family pictures as well as head shots of the graduate. We will share more in May. We have had and will have dignitaries both local and provincial visiting our school. Mayor Jefferies was in the school on April 29 and Minister LaGrange will be with us May 29. Both guests were hosted by the Grades ½ as part of their social studies learning. It was a pleasure to have these ladies with us.

**May 15** is the deadline for the Referral Program that is currently running. The Board as well as myself have begun work on the budget and Education Plan for the upcoming school year. Be sure to get those names to me by the deadline to receive the \$1000.00 discount.

**GARAGE SALE**

**Saturday, May 30**

**10:00 - 4:00**

Bring in your garage sale items anytime. We accept all donations. Gently used items, collectables, toys, bikes and anything else that is taking up space. We will gladly take it off your hands. Bottles will be collected by Cosmos. BBQ hamburgers, chips and pop. Helpers needed. This event is being organized by our PAC and Foundation.
