Bussing for 2024 - 2025

We are looking into offering bussing starting in September through Prairie Bus Lines. There will be a user fee which would be kept to a minimum to offset the cost of operations. We need to have an idea of how many passengers would be riding the bus to and from school. If you think you maybe interested in this service please respond to Mrs. Harris via email by May 3. We are waiting for insurance quotes and funding information from Alberta Education. When we have those numbers I will provide a more accurate user fee. As well, there is also a Parent-Provided Transportation Grant for parents. We will provide information about this grant in September.
