

MESSAGE FROM THE TEACHER

Kindergarten Graduation is a culmination of the children's hard work and determination for learning, growth and development. I congratulate all the graduates for their achievements. I am very proud of what they have become and I am grateful that I was a part of their early years in education.

I thank the children for giving me a sense of purpose and fulfillment in the profession that I have chosen. I also thank the parents for the love, support and trust that they have given me this year. I appreciate the partnership that we have shared in helping the children achieve their utmost capabilities.

I pray that the children will continue to shine their lights through. May they always grow in love, wisdom and compassion; and may their future be bright, happy and successful!

Congratulations once again to our dear graduates and all their families!

REMINDERS

Please check your child's school folder each school night for important information, assignments and papers that need to be returned to school.

Kindly make sure that your child is dressed appropriately for the weather.

Please do not forget to bring your school envelope bag, food kit, towel & water bottle everytime you come to school.

What a joy it has been for me to be your teacher this year. Thank you for a wonderful and fulfilling school year! I will miss each one of you but I promise to keep our memories together in my heart forever. I love you! Until we meet again.

Miss Genova
